## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-2, 4-10, 12 and 14-21 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The closest reference the Examiner was able to locate was McNab US 6,050,434. The reference fails to teach the respective angles of the sealing flanges as being not equal. Furthermore, Examiner was unable to locate any motivation to modify the reference in order to form the sealing flanges such that their angles of incidence are unequal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
